Dear Sir,

Project: Dragon LNG Import Terminal
Contract: Engineering, Procurement & Construction of the Dragon LNG Import Terminal
Contract No: 028
Subject: Supply and Installation of Perlite to LNG tanks - Dragon LNG

This is to certify that Insultec Ltd was awarded the contract to supply and install perlite insulation to 2 No LNG storage tanks of 154,000 m3 capacity each.

Insultecs scope included, material supply, site expansion, tank filling, testing and sampling and vibration.

We are pleased to confirm that Insultec completed the work on schedule and in accordance with all technical and scope requirements. We are further pleased to state that all work was completed within the strict safety and QA/QC project requirements.

We have no hesitation in confirming the quality and standards achieved by Insultec and would use them on future projects.

Yours faithfully
For and on behalf of WVS JV

Keith Dorrington
Project Manager
